MICHIGAN FINISHES SWEEP AGAINST MANHATTAN AS PAGE MAKES FIRST CAREER START

Ann Arbor, MI (March 17, 2019) - The Michigan Wolverines completed a four-game sweep against the Manhattan Jaspers in the first home series of the 2019 season. The redshirt Freshman Isaiah Page made his first start of the season after tearing his ACL at the beginning of last season. Page pitched five scoreless innings allowing two hits.

The Wolverines broke the tie in the bottom of the fourth inning after two opening walks to begin the innings, then a bunt made the bases loaded. Blake Nelson took advantage with the bases loaded and hit a double scoring two, and the Wolverines never looked back.

Right Handed Pitcher Danny Zimmerman said about Pages come back today, "It was great to see Isaiah make his first start since returning from his ACL tear last year." The Wolverines next game at home against Western Michigan.
